While going through your Article : Mortoloker Goddyo - 4, I was amazed at how bravely and correctly you have narrated the current situation in Bangladesh on Madrasha Education and the future of Bangladesh. The Article again has proved your efficient skill in going deep into an issue and coming-up with pragmatic suggestions to arrest the un-wanted situation. I agree with the views of Jenny Chowdhury on your article. As ever earlier, I do appreciate your extra-ordinary quality to bring-up an issue which usually passes unnoticed in the eyes of general public. Kindly keep up your excellent efforts.

Yours sincerely, Md. Abdus Salam
